

## **Estetik International**

### **About Us**

#### Who Are We?

Estetik International was established in 1999. Founded as a superior aesthetics and beauty center by world-renowned plastic surgeon Bulent Cihantimur, with two clinics in Istanbul and one clinic in Bursa, Op.Dr. Bulent Cihantimur and his team offer patients the most advanced and effective cosmetic treatments, helping them achieve their desired results passionately for the past 25 years. Estetik International is one of the best, most respected, and most recognized health groups in Turkey and has been awarded multiple certificates of quality in the field of health. Nationwide, we offer a broad range of treatments, as well as unique procedures and techniques developed by Dr. Bulent Cihantimur and his team.

#### Why Choose Us?

A global reputation for unique treatments and techniques developed by the founder, Dr. Bulent Cihantimur, and his team. Unique and expert doctors, among the best in their respected fields. A strong belief in good communication between patient and surgeon. Tailored and personalized treatments for each individual to meet their unique needs.

#### Our Vision

To become one of the most reliable, reputable, and innovative centers of aesthetics in the world. We are committed to being the local leader in the industry.

#### Our Mission

Provide advanced techniques and premium healthcare services. Meet and exceed patients expectations. Encourage continuous learning and innovation. Combining medical excellence and
